Dear Parent / Carer,

Re: Remote Education – Physical Education Practical Sessions (0098-20SMA)

Longfield's Physical Education curriculum encourages pupils to live a healthy and active lifestyle. We aim to teach pupils the physical, mental, emotional and social benefits of exercise.

To enable our pupils to continue to access a broad and balanced Physical Education curriculum during remote education, we are offering all pupils the opportunity to access practical PE activities through a mixture of live and pre-recorded remote lessons.

Please note, it is not a mandatory requirement for pupils to take part, however, if your child would like to follow the practical lessons, it is the responsibility of parents / carers to ensure there is appropriate adult supervision in place.

We appreciate your support in encouraging your child to continue to access their practical lessons during this period of remote education.

If you have any further questions, please do not hesitate to contact me via email smason@longfield.swiftacacdemies.org.uk.

Yours faithfully,

Mrs S Mason
Head of Department – Physical Education
