

	Foundation Subject and unit	English focus	Number /Calculation s focus	Maths focus	ICT	PE	Social Skills	MFL
	Half termly text – My Brother’s Keeper Tom and Tony Bradman							
Wk 1	Art – Andy Warhol (linked to PSHE)	Informal letter writing – letters from families at home.	Number - place value, negative numbers, rounding	Geometry – position and direction	Prezi – presentation skills	Tag rugby	Economic wellbeing and being a responsible citizen	Chez moi
Wk 2	History – WW1	Replies soldiers in trenches	Addition and subtraction multi-step problems – linked to	Geometry – properties of shapes	Prezi – presentation skills	Tag rugby	Economic wellbeing and being a responsible citizen	Chez moi
Wk 3	Geography – WW1 battlefields/ land use	Poetry – WW1	Addition and subtraction multi-step problems – linked to	Geometry – properties of shapes	Prezi – presentation skills	Tag rugby	Economic wellbeing and being a responsible citizen	Chez moi
Wk 4	Music – WW1 production (Archie Dobson’s war)		Multiplication methods and problems	Statistics	Prezi – presentation skills	Indoor athletics DANCE?	Economic wellbeing and being a responsible citizen	Chez moi
Wk 5	History – WW2	Narrative – story based on the bombings	Division methods and problems	Statistics	Prezi – presentation skills	Indoor athletics DANCE?	Economic wellbeing and being a responsible citizen	Chez moi
Wk 6	History – WW2 Winston Churchill		Addition, subtraction, multiplication and division word problems	Ratio and proportion	Prezi – presentation skills	Cross country DANCE?	Economic wellbeing and being a responsible citizen	Chez moi
	Half term text – Hitler stole the pink rabbit							
Wk 7	History/Art – Remembrance Day	Newspaper report	Number - fractions	Ratio and proportion	Prezi – presentation skills	Cross country	Economic wellbeing and being a responsible citizen	Chez moi

	Foundation Subject and unit	English focus	Number /Calculations focus	Maths focus	ICT	PE	Social Skills	MFL
Wk 8	DT – Making a meal from rations		Number - fractions	Measurement	Program ming	Swimming Badminton	Health and wellbeing (staying safe)	Le week-end
Wk 9	DT – Anderson shelters	Diary	Number – fractions	Measurement	Program ming	Swimming Badminton	Health and wellbeing (staying safe)	Le week-end
Wk 10	Science – Animals including humans 1		Algebra	Geometry – position and direction	Program ming	Swimming Badminton	Health and wellbeing (staying safe)	Le week-end
Wk 11	Science – Animals including humans 2	Narrative	Algebra	Geometry- properties of shapes	Program ming	Swimming Gymnastics	Health and wellbeing (staying safe)	Le week-end
Wk 12	Science/DT – Light		Number – Addition, subtraction, multiplication and division	Measurement	Program ming	Swimming Gymnastics	Health and wellbeing (staying safe)	Le week-end
Wk 13	Music – Christmas presentation	Christmas (instructions?)	Number – Addition, subtraction, multiplication and division	Measurement	Program ming	Swimming Gymnastics	Health and wellbeing (staying safe)	Le week-end
	Half term text – Treasure Island by Robert Louis Stevenson							
Wk 14	RE – How do the beliefs of Christians affect their actions? Inspirational figures in Christianity/ Christmas Gospels	Recount - journey	Number - place value, negative numbers, rounding	Geometry – position and direction	Program ming	Swimming Gymnastics	Health and wellbeing (staying safe)	Le week-end

	Foundation Subject and unit	English focus	Number /Calculations focus	Maths focus	ICT	PE	Social Skills	MFL
Wk 15	Science – Electricity		Number-addition and subtraction	Geometry-properties of shapes	E-safety	Football	Relationships	Les Transport
Wk 16	DT – Fun fair	Argument for or against capital punishment (link to piracy?)	Number-multiplication	Geometry-properties of shapes	E-safety	Football	Relationships	Les Transport
Wk 17	Science – Electricity		Number-division	Statistics – data handling	E-safety	Netball	Relationships	Les Transport
Wk 18	Or Art – Picasso/ cubism	Narrative	Number-addition, subtraction, multiplication and division	Ratio and proportion	E-safety	Netball	Relationships	Les Transport
Wk 19	Geography – mountains		Number-addition, subtraction, multiplication and division	Ratio and proportion	E-safety	Squash	Relationships	Les Transport
Wk 20	RE – ½ day Tibetan Buddhism/ ½ day what do religions say about the Environment ?		Number – fractions	Statistics – data handling	E-safety	Squash	Relationships	Les Transport

	Foundation Subject and unit	English focus	Number /Calculations focus	Maths focus	ICT	PE	Social Skills	MFL
	Half term text – The Wind singer by William Nicholson							
Wk 21	Science - Living things and their habitats	Non chronological report on an imaginary world	Number – fractions	Measurement	Scratch with variables	African dance	Economic wellbeing and being a responsible citizen	Le sport
Wk 22	Safety carousel		Number – fractions	Measurement	Scratch with variables	African dance	Economic wellbeing and being a responsible citizen	Le Sport
Wk 23	Science – Living things and their habitats	Persuasive speech/letter – ban testing	Algebra	Geometry – position and direction	Scratch with variables	Basketball	Economic wellbeing and being a responsible citizen	Le Sport
Wk 24	DT – Bird boxes		Algebra	Geometry – properties of shapes	Scratch with variables	Basketball	Economic wellbeing and being a responsible citizen	Le Sport
Wk 25	RE – Why are Good Friday and Easter Day the most important days for Christians?	Narrative – journey story	Number-addition, subtraction, multiplication and division	Measurement	Scratch with variables	Rounders (plus softball)	Economic wellbeing and being a responsible citizen	Le Sport

	Foundatio n Subject and unit	English focus	Number /Calculatio s focus	Maths Focus	ICT	PE	Social Skills	MFL
Wk 26	Science - Evolution and inheritance		Number- addition, subtraction, multiplication and division	Measurement	Exploring networks	Swimming Rounders (plus softball)	Health and wellbeing (healthy lifestyles)	Spanish Hola (greetings)
	Half term text – Holes by Louis Sachar							
Wk 27	Science - Evolution and inheritance	Biography – famous black man/woman	Number- place value	Geometry – position and direction	Exploring networks	Swimming Rounders (plus softball)	Health and wellbeing (healthy lifestyles)	Spanish Hola (greetings)
Wk 28	Music – Make you feel my love		Number- addition and subtraction	Geometry – properties of shapes	Exploring networks	Swimming Kwik Cricket	Health and wellbeing (healthy lifestyles)	Spanish Hola (greetings)
Wk 29	Geography – Africa	Narrative – crime and punishment	Number- multiplication	Geometry – properties of shapes	Exploring networks	Swimming Kwik Cricket	Health and wellbeing (healthy lifestyles)	Spanish Hola (greetings)
Wk 30	Year 6 leavers requests		SATs	SATs	Exploring networks	Swimming Kwik Cricket	Health and wellbeing (healthy lifestyles)	Spanish Hola (greetings)
Wk 31	DT – African masks		Using and applying skills	Using and applying skills	Exploring networks	Swimming Skateboardi ng	Health and wellbeing (healthy lifestyles)	Spanish Hola (greetings)

	Foundation Subject and unit	English focus	Number /Calculations focus	Maths Focus	ICT	PE	Social Skills	MFL
	HALF TERM TEXT – THE BOY IN THE DRESS – David Walliams							
Wk 32	Geography- Trade links	Discussion – should we have school uniform or does it stifle individuality ?	Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Skateboarding	Relationships	Spanish Colores (colours)
Wk 33	RE- religious signs and symbols		Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Geo-caching	Relationships	Spanish Colores (colours)
Wk 34	History – Crime and punishment	Narrative – story about a child who is different	Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Geo-caching	Relationships	Spanish En mi estuche (classroom objects)
Wk 35	Art – Banksy		Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Athletics	Relationships	Spanish En mi estuche (classroom objects)
Wk 36	Music - Celebrating music; Y6 leavers celebration	Transition week projects	Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Athletics	Relationships	Spanish En mi estuche (classroom objects)
Wk 37	Music - Celebrating music; Y6 leavers celebration		Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Athletics	Relationships	Spanish En mi estuche (classroom objects)
Wk 38	Art – Photography		Using and applying skills	Using and applying skills	Podcasting to blog	Swimming Athletics	Relationships	Spanish En mi estuche (classroom objects)
