2 SPECIFIC ISSUES

2.1 Trade Union Officials

Current employment legislation requires an employer to permit an employee who is an official of an independent recognised trade union to take reasonable paid time off to carry out industrial relations duties and to undergo training, the Board of Trustees must determine what is reasonable, both generally and on specific occasions.

2.2 Trade Union Members

Current employment legislation similarly requires the allowance of reasonable absence (without reference to pay) for the purpose of taking part in a relevant trade union activity. Such absence might, for example, be for short training periods.

2.3 Public Duties

Employees that are elected as Councillors for other local authorities will be granted a reasonable time off to attend to their Council duties. Paid or unpaid leave is to be determined by the Board of Trustees taking into account the operational needs of the Trust.

- **Employees elected as Councillors are restricted to paid leave of a maximum of 208 hours per year.**
- **It is recommended that employees who are school governors should have the following leave with Pay:**

- **Primary (inc. nursery schools) up to 6 half days per annum**
- **Secondary up to 8 half days per annum**
- **These amounts of time being subject to an overall maximum of 26 half days per annum with pay where an employee is a member of several governing bodies.**

2.4 **Discretion**

In determining the levels of reasonable absence where discretion exists, the Board of Trustees will wish to take into account other leave arrangements for the applicant.

2.5 **Notice**

Where there is expected to be a pattern of requests for leave (e.g. public duties; examining) it is reasonable for the Board of Trustees to request that reasonable notice be given.

2.6 **Term Time Leave**

As a general matter of principle, absence for holiday leave should **not be** granted to those persons, teaching and support staff, whose duties relate to the presence of children and students.

2.7 **Exceptional Circumstances**

Advice is available from the Trust's HR Provider on matters not covered by these recommendations. In order to achieve reasonable consistency of practice, it is suggested that the Board of Trustees will wish to obtain such advice on other matters.

3 **REQUESTS FOR PERIODS OF UNPAID LEAVE**

The Board of Trustees may receive applications from staff for unpaid leave. The issue of whether leave is granted or not, or is with or without pay should generally be determined by reference to the adopted scheme. However, there are occasional circumstances, usually of a personal nature, where an extended period of unpaid leave may be granted. Although it will be for the Board of Trustees to determine these applications, they may find it helpful to seek the advice of the Trust's HR Provider regarding both the nature of the leave, and the conditions upon which it may be possible to grant it.

4 **DISCRETIONARY LEAVE**

Employees will be granted no more than 5 days discretionary leave of absence in a rolling year except in exceptional circumstances. Of this, a maximum of 2 days will be with pay.

Generally, the first two days of discretionary leave taken each year will be paid (unless otherwise specified elsewhere in this policy) and any further days will be unpaid.

A period of leave may be made up of paid and unpaid leave. In exceptional circumstances the Head Teacher/Head of School may grant additional paid or unpaid leave over the 2 day or 5 day entitlement. In these cases the reason for the decision will be documented.

5 APPLICATION OF THE SCHEME

It should be recognised as a matter of principle that the Board of Trustees will make every effort to adhere to the conditions relating to the leave of absence scheme and to granting leave in accordance with that scheme. However, it should also be recognised that from time to time the arrangements in an academy may be such that requests for leave may have to be declined in order to maintain a proper educational service.
