Dear Parent / Carer,

Re: Help & Support for those in need of Food and/or Medicine (0147-19NPR)

Additional support for those self-isolating due to underlying medical conditions and who are therefore finding it impossible to leave the house and have no alternative help to get food and/or medicine, can be found at the Coronavirus Support Hub. For further information or help, please telephone 01325 405000.

Kings Church Food bank remains determined to continue to support people at this time of need. Prior to collection or request of any items, they have informed us that you may be asked for the following information:

- What financial issue(s) has led to the emergency need for food?
- Full name of person to be registered and any partner / spouse
- Full address including postcode
- Age of registered person
- Age/Gender of children
- Benefits/full household income

This is nothing to be concerned about, it's aim is to ensure the correct help is given and that anyone in need of this service is not disappointed.

Yours faithfully,

Miss N. Prince
Assistant Headteacher
