Dear Parent / Carer,

Re: Coronavirus Update - Year 10 (0156-19NLI)

As you may be aware the current advice from the Government is that they would like Secondary Schools to provide some face-to-face or remote contact with Year 10 pupils before the summer holidays in order to compliment the home learning programme we are offering, through Microsoft Teams/paper-based work packs.

We are currently awaiting further documentation from the Department for Education (DFE) regarding what this offer may look like, but our initial thoughts at this stage is to meet all Year 10 pupils and their parents/carers in June either via a face to face meeting in school, whilst ensuring that social distancing guidelines are in place, OR with a virtual meeting (via Teams, Zoom etc.) to:

- Ascertain each pupil's academic progress to date by reviewing & feeding back to each individual student and their parent/carer on the school work completed to date, either via Teams or school work packs
- Identify pupil's strengths and areas for development in their subjects, and how we can support pupils with this moving forward
- Provide information from parents/carers to feedback to the pupils' class teachers

We will be in contact with you after half term to provide further details and to advise on next steps. If you have any questions, please contact us via email enquiries@longfield.swiftacademies.org.uk

Yours faithfully,

Mr N Lindsay
Head of School
