13<sup>th</sup> July 2020,

Dear Parents / Carers,

**Re: Year 11 Results Day and Guidance (0171-19KTH)**

Results day will take place on Thursday 20<sup>th</sup> August 2020. As I'm sure you can appreciate due to the circumstances, results day will be a little different to those held previously. In the interests of safety and maintaining social distancing, the decision has been taken across all schools in Darlington that results will be sent remotely this summer. As such, pupils will receive their results via their school email address.

Pupils can access their email by logging into Microsoft Outlook using their school login and password. Pupils must check this week that they can still access their email and remember their passwords. If pupils have forgotten their password, please contact school reception by 10:00am on Friday 17<sup>th</sup> July, after which school will be closed for the summer break. **School will not be open on results day.**

Ofqual have promised to share guidance with schools prior to the end of July on what pupil's choices are upon receiving their results. This will outline how pupils can sit exams in the Autumn series if they are unhappy with their result and how to go about potentially appealing their results. This information will be shared with pupils on results day. **Pupils must download their results and save them as email accounts will cease to exist from September.**

If you have questions about progression to further education, training or apprenticeships, or if your plans for the future have changed because of your results, our careers and further education advisers and other members of the guidance team will be available to help. If pupils would like a discussion with the careers team please email [gillsmith@longfield.swiftacademies.org.uk](mailto:gillsmith@longfield.swiftacademies.org.uk) on the morning of results day and you will receive a phone call that afternoon.

In the meantime, you may find the following links to Ofqual documents useful:

You are reminded that Ofqual guidance states that your teachers are not allowed to discuss Centre Assessed Grades and Rankings with you.

We hope you have an enjoyable summer.

Yours faithfully
